Section 23.5, Customs Regulations of 1943 (19 CFR, Cum. Supp., 23.5), is hereby amended to read as follows:

§ 23.5 Baggage of passengers from foreign countries. (a) Any article in the baggage of a passenger arriving from a foreign country which is not declared as required by § 10.20 shall be seized if it is available for seizure at the time the violation is detected and the personal penalty prescribed by section 497, Tariff Act of 1930," shall be demanded from the passenger. If the article is not seized, the Government is limited to a claim for the personal penalty against the person who imported the merchandise without declaration, since section 497 does not provide for the collection of value in lieu of seizure. Since undeclared articles are treated as smuggled, no duty shall be collected.

(b) A passenger who makes any false or fraudulent statement or is guilty of other conduct within the purview of section 592, Tariff Act of 1930, as amended, whereby a customs officer is or may be induced to pass an article free of duty under paragraph 1798 of the said act, as amended, or at less than the proper amount of duty, or who attempts to enter under the said paragraph 1798 any article which in fact does not belong to him. and a returning resident who, in connection with his return to the United States. claims the benefit of the \$100 exemption provided for in the said paragraph 1798 notwithstanding that he has taken advantage of such exemption within the 30-day period immediately preceding such return, shall be deemed to have violated the said section 592. In any such case the article involved shall be seized, if it is available for seizure at the time the violation is detected and such seizure is otherwise practicable, unless the article is in the possession of an innocent holder for value who has full right to possession as against any party to the customs violation. If the article is not available for seizure or is in the hands of such an innocent holder, or if seizure is impracticable, the domestic value of the article, determined in accordance with section 606, Tariff Act of 1930, shall be demanded from the passenger. Whether the article is seized or the domestic value thereof is demanded in lieu of seizure, the duty estimated to be due thereon shall be demanded of the passenger as soon as possible after the discovery of the violation. (Secs. 497, 624, 46 Stat. 728, 759, sec. 592, 46 Stat. 750, sec. 304 (b), 49 Stat. 527; 19 U. S. C. 1497, 1592, 1624.)

TITLE 30-MINERAL RESOURCES

Chapter VI-Solid Fuels Administration for War

PART 602-GENERAL ORDERS AND DIRECTIVES

DIRECTION TO RETAIL DEALERS IN WISCONSIN AND UPPER PENINSULA OF MICHIGAN

Because of the shortage of manpower and trucks available to retail dealers, including commercial lake dock operators, in the State of Wisconsin and in the upper peninsula of Michigan, it is necessary, pursuant to SFAW Regulation No. 1, as amended, to issue the following direction:

Every retail dealer, including a commercial lake dock operator, in the State of Wisconsin and in the upper peninsula of Michigan, is prohibited from delivering any solid fuel which is to be used for space heating, domestic heating of water or domestic cooking to any consumer who has on hand a 15 day or more supply of usable fuels of any kind.

Every consumer, in the State of Wisconsin or in the upper peninsula of Michigan, who

has on hand a 15 day or more supply of usable fuels of any kind, is prohibited from receiving from a retail dealer, including a commercial lake dock operator, any solid fuel which is to be used for space heating, domestic heating of water or domestic cooking.

To the extent that this direction is applicable to deliveries in the upper peninsula of Michigan, it supersedes the Notice of Direction Concerning Deliveries of Bituminous Coal, Anthracite, Coke, and Other Solid Fuels by Retail Dealers and Tidewater Dock Operators to Consumers in Emergency Areas, issued January 25, 1945.

This direction shall become effective immediately and remain in effect until further notice.

AUTHORITY: Regulations in this chapter, unless otherwise noted at the end of documents affected, issued under sec. 2 (a), 54 Stat. 676, as amended by 55 Stat. 236 and 56 Stat. 177; E.O. 9024, 7 F.R. 329; E.O. 9040, 7 F.R. 527; E.O. 9125, 7 F.R. 2719; W.P.B. PART 1010—SUSPENSION ORDERS [Suspension Order S-711]

MARIE'S DRESS SHOP

Marie's Dress Shop, a partnership composed of William Cohen and Marie Nemer, operates two retail stores located at 967 and 1053 Market Street, San Francisco, California. The firm sells women's ready-to-wear apparel, such as coats, suits, dresses, blouses, hosiery, sportswear and furs. The firm is a controlled merchant subject to Limitation Order L-219, and between January 1, 1944 and May 31, 1944, its mercantile inventory exceeded its inventory limit through receipt of consumers' goods having a value of more than \$65,000 in excess of its allowable receipts, in violation of Limitation Order L-219. At the beginning of the fourth calendar quarter of 1944 partial restitution in the amount of \$51,000 of excess inventory had been made by voluntary reduction in the firm's receipts of consumers goods, leaving an excess of \$14,000.00.

These excess receipts of consumers' goods have interfered with the War Production Board's allocation controls and have hampered and impeded the war effort of the United States. In view of the foregoing, it is hereby ordered, that:

§ 1010.711 Suspension Order No. S-711. (a) Unless hereafter specifically authorized in writing by the War Production Board, William Cohen and Marie Nemer, their successors or assigns, shall reduce the inventory of Marie's Dress Shop as defined or controlled by Order

²¹ Any article not included in the declaration and entry as made, and, before examination of the baggage was begun, not mentioned in writing by such person, if written declaration and entry was required, or orally if written declaration and entry was not required, shall be subject to forfeiture and such person shall be liable to a penalty equal to the value of such article. (Tariff Act of 1930, sec. 497; 19 U.S.C. 1497)

L-219, by September 30, 1945 in an amount of not less than the above excess of \$14,000, such reductions to be at a rate of not less than \$3,000 per calendar quarter in 1945, the balance being distributable among the first three calendar quarters of 1945, as the firm may see fit.

(b) Nothing contained in this order shall be deemed to relieve William Cohen or Marie Nemer, their successors or assigns, from any restriction, prohibition or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provisions hereof.

Issued this 7th day of February 1945.

PART 1010—SUSPENSION ORDERS [Suspension Order S-716]

WESTFIELD MANUFACTURING CO.

Westfield Manufacturing Company is a Michigan corporation with offices at 100 West Cicotte Avenue, River Rouge, Michigan. In August 1944 the company, without permission of the War Production Board, did construction of an office addition at the above address, at an estimated cost of over \$4,000, which amount exceeded the limit of \$200 permitted by Limitation Order L-41. The officers of the company knew that there were War Production Board restrictions on construction, and doing this construction without authorization constituted a grossly negligent violation of Limitation Order L-41.

This violation of Limitation Order L-41 has diverted critical materials to uses not authorized by the War Production Board, and has hampered and impeded the war effort of the United States. In view of the foregoing, it is hereby

ordered, that:

§ 1010.716 Suspension Order No. S-716.

(a) Neither Westfield Manufacturing Company, its successors or assigns, nor any other person, shall do any construction on the premises at 100 West Cicotte Avenue, River Rouge, Michigan, including putting up or altering the structure, unless hereafter specifically authorized in writing by the War Production Board.

(b) Nothing contained in this order shall be deemed to relieve Westfield Manufacturing Company, its successors or assigns, or any other person, from any restriction, prohibition or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provisions hereof.

Issued this 7th day of February 1945.

[F. R. Doc. 45-2257; Filed, Feb. 7, 1945; 4:48 p. m.] PART 1029—FARM MACHINERY

[Limitation Order L-257, Direction 6]

APPLICATIONS FOR ADDITIONAL QUOTA TO TAKE
CARE OF SLIPPAGE

The following direction is issued pursuant to Limitation Order L-257:

(a) What this direction does. (1) Because of shortages in manpower and certain components such as castings, it appears likely that some producers will find it impossible to make as many of some items of farm machinery and equipment by June 30, 1945, as their quotas and production schedules permit. To the extent that there is "slippage" in those schedules, the approved War Production Board programs for the particular items, as represented by Schedule B of L-257 and the Export Schedules of L-257-a, will not be met. One way to relieve this situation is to make use of any excess capacity in plants of producers who have labor available and who could make more than their quotas of these items without hurting the war effort.

(2) This direction tells how producers may apply for more quota under these circumstances and the kinds of applications which may be approved by the War Production

Board.

(b) How to apply. If you want to make more of any item of farm machinery and equipment than you are allowed under Order L-257 or L-257-a, even if you did not make the item in 1940 or 1941, you may apply by filing a letter in duplicate with your local WPB Field Office. A separate letter should be filed for each item you want to make, and should show answers to the following questions:

(1) How many of the item do you want to make in addition to your quota?

(2) Are you up to schedule on the item? If you have not made the item before, do you have adequate facilities and manpower to make it (see reference to Form WPB-3820 below)?

(3) Can you make the additional quantities of the item in time for seasonal use by farmers before June 30, 1945 without interfering with any of your other production?

(4) If you will need malleable or grey iron castings to make the item, will you be able to get them on an AA-2 rating? What is your source of supply (including alternate sources, if any)?

If you need allotments of controlled materials you should accompany your application with Form CMP-4B, together with Form WPB-3820 on manpower requirements unless exempted under section 1A of CMP-4B. If you are applying for several items in one or more CMP product codes, you should file only one set of Form CMP-4B for each product code. Show in Section II of the form the item number or numbers covered by it, in accordance with the numbering in Schedule B of Order L-257.

(c) Standards in granting applications. In its consideration of applications properly filed as indicated above, the War Production Board will first see whether there is slippage in the approved program for the particular item by other producers. If so, the application may be granted up to the amount of the slippage under the following standards and conditions:

(1) "Small plants" will have first consideration. In general, a small plant is one with 100 production workers or less (50 or less on the West Coast).

(2) Ordinarily, no upratings above the program rating of AA-2 will be authorized for

production materials.

If no slippage is evident in the item, the application will be kept on file for consideration if and when slippage occurs.

Note: The reporting requirements in this direction have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

Issued this 8th day of February 1945.

FEDERAL TRADE COMMISSION.

[Docket No. 5273]

PHILLIPS SALES Co., INC., AND HAAS-GUTHMAN Co.

NOTICE OF HEARING

In the matter of Phillips Sales Company, Inc., a corporation, and Max E. Guthman and Aaron Guthman, copartners doing business as Haas-Guthman Company.

Complaint. The Federal Trade Commission, having reason to believe that the parties respondent named in the caption hereof, and hereinafter more particularly designated and described, since June 19, 1936, have violated and are now violating the provisions of subsection (c) of section 2 of the Clayton Act (U.S.C. Title 15, sec. 13) as amended by the Robinson-Patman Act, approved June 19, 1936, hereby issued its complaint, stating its charges with respect thereto as follows:

Paragraph 1. Respondent Phillips Sales Company, Inc., is a corporation organized and existing under and by virtue of the laws of the State of Maryland, with its principal office and place of business located at 33 Race Street, Cambridge, Maryland. The respondent Phillips Sales Company, Inc., since June 19, 1936, has been and is now engaged in the business of selling and distributing canned vegetables, canned meats and other food products (all of which are hereinafter designated as "food commodities") in its own name and for its own account. This respondent is hereinafter designated as the "respondent seller."

PAR. 2. The respondent seller sells and distributes its food commodities by two separate and distinct methods. The first and principal method is by utilizing intermediaries or food brokers who act as respondent seller's agents in negotiating the sale of respondent seller's food commodities at respondent seller's prices and on respondent seller's terms, and for which service to the respondent seller such intermediaries or food brokers are paid commission or brokerage fees. The second method utilized by the respondent seller is by the direct sale of substantial quantities of its food commodities directly to buyers, representative of whom is Haas-Guthman Company, to whom respondent seller pays, directly or indirectly, commissions or brokerage fees on such buyer's purchases of respondent seller's food commodities which are purchased by said buyers in their own name and for their own account.

Par. 3. Respondents Max E. Guthman and Aaron Guthman are copartners, doing business under the name and style of Haas-Guthman Company, which firm

is located at 601 West Hull Street, Savannah, Georgia. The respondents Max E. Guthman and Aaron Guthman are hereinafter referred to as "respondent buyer." The respondent buyer since June 19, 1936, has been and is now engaged principally in the business of buying food commodities for resale and selling such commodities in its own name and for its own account.

The respondent buyer in some instances, but to a lesser degree, also acts as an intermediary or broker for certain sellers of food commodities for whom respondent buyer negotiates the sale of such sellers' products at such sellers' prices and such sellers' terms.

PAR. 4. Respondent buyer in the course and conduct of its said business since June 19, 1936, has purchased a substantial portion of its food commodities from Phillips Sales Company, Inc., which firm is located in a state other than the state in which respondent buyer is located, and as a result of respondent buyer's orders and instructions such food commodities have been shipped and transported across state lines by respondent seller to said respondent buyer. The respondent buyer's purchases from the respondent seller since June 19, 1936, are representative of the respondent buyer's purchases of food commodities from numerous other interstate sellers, upon which purchases respondent buyer has also received commissions or brokerage fees.

Par. 5. Respondent seller, Phillips Sales Company, Inc., since June 19, 1936, in connection with the sale of its food commodities in interstate commerce to respondent buyer, Haas-Guthman Company, for its own account for resale as hereinbefore set forth, has transmitted, paid and delivered, and does transmit, pay and deliver, directly or indirectly, to said respondent buyer for its own account commissions, brokerage fees or other compensation or allowances in lieu thereof in substantial amounts, and respondent buyer, Haas-Guthman Company, since June 19, 1936, has received and accepted and is now receiving and accepting commissions, brokerage fees and other compensation or allowances in lieu thereof in connection with said respondent buyer's interstate purchases of food commodities from respondent seller and from other interstate sellers from whom respondent buyer purchases and has purchased food commodities in its own name and for its own account for resale.

PAR. 6. The foregoing acts of respondent seller, Phillips Sales Company, Inc., in granting or paying commissions or brokerage fees on its sales of food commodities to respondent buyer, Haas-Guthman Company, and the foregoing acts of respondent buyer, Haas-Guthman Company, in receiving or accepting commissions or brokerage fees on its purchases of food commodities from respondent seller, Phillips Sales Company, Inc., and from other interstate sellers are in violation of subsection (c) of section 2 of the Clayton Act as amended.

Wherefore, the premises considered, the Federal Trade Commission on this 3d day of February, A. D. 1945, issues its complaint against said respondents.

Notice. Notice is hereby given you, Phillips Sales Company, Inc., a corporation, and Max E. Guthman and Aaron Guthman, copartners, doing business as Haas-Guthman Company, respondents herein, that the 9th day of March, A. D. 1945 at 2 o'clock in the afternoon, is hereby fixed as the time, and the offices of the Federal Trade Commission in the City of Washington, D. C., as the place, when and where a hearing will be had on the charges set forth in this complaint, at which time and place you will have the right, under said act, to appear and show cause why an order should not be entered by said Commission requiring you to cease and desist from the violations of the law charged in the complaint.

You are notified and required, on or before the twentieth day after service upon you of this complaint, to file with the Commission an answer to the complaint. If answer is filed and if your appearance at the place and on the date above stated be not required, due notice to that effect will be given you. The rules of practice adopted by the Commission with respect to answers or failure to appear or answer (Rule IX) provide as follows:

In case of desire to contest the proceeding the respondent shall, within twenty (20) days from the service of the complaint, file with the Commission an answer to the complaint. Such answer shall contain a concise statement of the facts which constitute the ground of defense. Respondent shall specifically admit or deny or explain each of the facts alleged in the complaint, unless respondent is without knowledge, in which case respondent shall so state.

Failure of the respondent to file answer within the time above provided and failure to appear at the time and place fixed for hearing shall be deemed to authorize the Commission, without further notice to respondent, to proceed in regular course on the charge set forth in the complaint.

If respondent desires to waive hearing on the allegations of fact set forth in the complaint and not to contest the facts, the answer may consist of a statement that rerespondent admits all the material allegations of fact charged in the complaint to be true. Respondent by such answer shall be deemed to have waived a hearing on the allegations of fact set forth in said complaint and to have authorized the Commission, without further evidence, or other intervening procedure, to find such facts to be true.

Contemporaneously with the filing of such answer the respondent may give notice in writing that he desires to be heard on the question as to whether the admitted facts constitute the violation of law charged in the complaint. Pursuant to such notice, the respondent may file a brief, directed solely to that question, in accordance with Rule XXIII

In witness whereof, the Federal Trade Commission has caused this, its complaint, to be signed by its Secretary, and its official seal to be hereto affixed, at Washington, D. C., this 3d day of February, A. D. 1945.

By the Commission.

Regional and District Office Orders.
[Region II, Rev. Order G-16 under RMPR 122]
PENNSYLVANIA ANTHRACITE IN NEW YORK
REGION

Under the authority vested in the Regional Administrator of the Office of Price Administration by § 1340.260 of Revised Maximum Price Regulation No. 122, it is hereby ordered:

(a) What this order does—(1) Dealers' maximum prices; area covered. If you are a dealer in "Pennsylvania anthracite", this order fixes the maximum prices which you may charge, and if

you are a purchaser in the course of trade or business, this order fixes the maximum prices which you may pay, for certain sizes and quantities of "Pennsylvania anthracite" (hereinafter called simply "anthracite") delivered to or at any point in the zones comprising State of New Jersey—Coal Area IV. That area consists of three zones, as follows:

Zone 1. Zone 1 includes the following portions of the State of New Jersey: starting at the intersection of the southern borderline of Bergen County and the Hudson River, running westerly along the Bergen County Line to the Hackensack River, thence northerly to Route 6, thence northwesterly along Route 6 to the Eric Railroad Short Cut, thence north to Route 4, thence easterly to Route 17, thence northerly to the New York State Border, thence easterly along the Bergen County Border to the Hudson River at point of origin.

Zone 2. Zone 2 includes the following por-

Zone 2. Zone 2 includes the following portions of the State of New Jersey: That portion of Bergen County South of Route 6 and west of the Hackensack river, and the cities of Passaic and Clifton in Passaic

County.

Zone 3. Zone 3 includes the following portions of the State of New Jersey: All of Passaic County excluding the cities of Passaic, Clifton and all of Bergen County not included in Zones 1 and 2, and the Boroughs of Lincoln Park, Riverdale, Butler, and the Township of Pequamock in the County of Morris.

(2) Schedules of prices, charges, and discounts. The applicable prices, authorized charges, and required discounts, from which you shall determine the maximum prices for designated sizes and quantities of anthracite delivered within Zone 1, 2, and 3 are set forth in Schedules I, II, and III, respectively.

(3) To what sales this order applies. If you are a dealer in anthracite you are bound by the prices, charges and discounts, and by all other provisions of this order for all deliveries within Zones 1, 2,

and 3.

You shall determine the maximum price for "direct-delivery" sales, as hereinafter defined, by reference to the appropriate schedule of this order covering the zone to which delivery is made, whether or not you are located in one of the three zones.

You shall determine your maximum price for a "yard" sale, as hereinafter defined, by reference to the appropriate schedule of this order covering the zone to which the purchaser takes physical possession or custody of the anthracite.

(b) What this order prohibits. Regardless of any contract or other obligations, you shall not:

(1) Sell or, in the course of trade or business, buy anthracite of the sizes and in the quantities set forth in the schedules herein, at prices higher than the maximum prices computed as set forth in paragraph (c) of this order, although you may charge, pay or offer less than maximum prices.

(2) Obtain any price higher than the applicable maximum price by

(i) Changing the discounts authorized herein, or

(ii) Charging for any service which is not expressly requested by the buyer, or

\$0, 125

(iii) Charging for any service for which a charge is not specifically authorized by this order, or

(iv) Charging a price for any service higher than the schedule price for such

service, or

(v) Using any tying agreement or requiring that the buyer purchase anything in addition to the fuel requested by him, except that a dealer may comply with the requirements or standards with respect to deliveries which have been or may be issued by an agency of the United States Government.

(vi) Using any other device by which a higher price than the applicable maximum price is obtained, directly or in-

directly

(c) How to compute maximum prices. You must figure your maximum price as

follows:

(1) Use the Schedule which covers your sale. (Schedule I applies to sales on a "direct-delivery" basis, "yard sales", and "sales of bagged coal" within Zone 1. You will find Schedule I in paragraph (d). In like manner, Schedules II and III apply to similar sales in Zones 2 and 3, respectively. You will find Schedule II in paragraph (e) and Schedule III in paragraph (f).

(2) Take the dollars-and-cents figure set forth in the applicable schedule, for the sizes and quantity you are selling.

- (3) Deduct from that figure the amount of the discount which you are required to give, as specified in each schedule. Where a discount is required, you must state it separately on your invoice.
- (4) If, at your purchaser's request, you actually render him a service for which this order authorizes a charge, you may add to the figure obtained as above no more than the maximum authorized service charge. You must state that charge separately on your invoice. The only authorized service charges are those provided for in Schedules II and III.
- (5) If you deliver a fraction of a net ton, even if less than one half ton, and the applicable schedule provides a discount on the basis of one ton or one half ton, you shall allow a proportionate discount, making your calculations to the nearest full cent. For example, if you are required to deduct 50¢ per ton for cash payment, you shall deduct 38¢ for three-quarters of a ton and 13¢ for one-quarter of a ton.
- (6) If you deliver a fraction of a net ton, but not less than one-half ton, and the applicable schedule provides a service charge on the basis of one ton, you shall add no more than a proportionate service charge, making your calculation to the nearest full cent. For example, if the transaction permits a service charge of 50¢ per ton, you shall not add more than 38¢ for performance of that service in connection with the delivery of three-quarters of a ton.

(d) Schedule I. Schedule I establishes specific maximum prices for certain sizes of anthracite in certain specific quantities, delivered to or at any point within Zone 1. There is a separate

(g) Commingling. If you sell one size of anthracite, commingled with another size of anthracite, your maximum price for the combination shall be the maximum price established in this order for the smallest of the sizes so com-mingled, whether the sale be a "Direct-delivery" sale, "Yard sale", or "Sales of bagged coal", except in the following situation. Where a purchaser requests that two or more sizes of anthracite be commingled in one delivery, then, in that event, if those sizes are separately weighed at the point of loading, or when bagged, the dealer may commingle those sizes in the truck or other vehicle, or in the bags, in which the de-livery is made. The price for anthracite so commingled shall be calculated on the basis of the applicable per net ton price, or, in the case of bagged coal, on the basis of the applicable bagged price, for each size in the combination, and the invoice shall separately state the price, so determined, for the quantity of each size in the combination.

(h) Ex parte 148; freight rate increases. Since the Ex Parte 148 Freight Rate increase has been rescinded by the Interstate Commerce Commission, dealers' freight rates are the same as those of December 1941. Therefore, you may not increase any Schedule price on account of freight rates.

(i) Addition of increase in suppliers' maximum prices prohibited. You may not increase the specific maximum prices established by this order to reflect, in whole or in part, any subsequent increase to you in your supplier's maximum price for the same fuel. The specific maximum prices already reflect increases to you in your supplier's maximum prices occurring up to the effective date of this order. If increases in your supplier's maximum prices should occur after such date, as the result of any amendment to or revision of a maximum price regulation issued by the Office of Administration governing sales and deliveries made by such suppliers, the Regional Administrator will, if he then deems it to be warranted, take appropriate action to amend this order to reflect such increases.

(j) Taxes. If you are a dealer subject to this order you may collect, in addition to the specific maximum prices established herein, provided you state it separately, the amount of the Federal tax upon the transportation of property imposed by section 620 of the Revenue Act of 1942 actually paid or incurred by you, or an amount equal to the amount of such tax paid by any of your prior suppliers and separately stated and collected from you by the supplier from whom you purchased. On sales to the United States or any agency thereof, you need not state this tax separately.

(k) Adjustable pricing. You may not make a price adjustable to a maximum price which will be in effect at some time after delivery of the anthracite has been completed; but the price may be adjustable to the maximum price in effect at

the time of the delivery.

(1) Petitions for amendment. Any person seeking an amendment of any provisions of this order may file a petition for amendment in accordance with the provisions of Revised Procedural Regulation No. 1, except that the petition shall be filed with the Regional Administrator and acted upon by him.

(m) Right of amendment or revocation. The Regional Administrator or the Price Administrator may amend, revoke or rescind this order, or any provisions

thereof, at any time.

- (n) Applicability of other regulations. If you are a dealer subject to this order, you are governed by the licensing provisions of Licensing Order 1. Licensing Order 1 provides, in brief, that a license is required of all persons making sales for which maximum prices are established. A license is automatically granted. It is not necessary to apply for the license. The license may be suspended for violations in connection with the sale of any commodity for which maximum prices are established. If your license is suspended, you may not sell any such commodity during the period of suspension.
- (o) Records. If you are a dealer subject to this order, you shall preserve, keep, and make available for examination by the Office of Price Administration, a record of every sale of solid fuel hereafter, showing the date, the name and address of the buyer, if known, the per net ton price charged, and the solid fuel sold. The solid fuel shall be identified in the manner in which it is described in the order. The record shall also state separately each service rendered and the charge made for it.
- (p) Posting of maximum prices; sales slips and receipts. (1) If you are a

dealer subject to this order, you shall post all your maximum prices (as set forth in the applicable schedule or schedules of this order) in your place of business in a manner plainly visible to and understandable by the purchasing

public.

(2) If you are a dealer subject to this order, you shall, except for a sale of less than one-half ton, give each purchaser a sales slip or receipt showing your name and address, the kind, size, and quantity of the anthracite sold to him, the date of the sale or delivery and the price charged, separately stating the amount, if any, of the required discounts which must be deducted from, and the authorized service charges and the taxes, which may be added to, the specific maximum prices prescribed herein.

In the case of all other sales, you shall give each purchaser a sales slip or receipt containing the information described in the foregoing paragraph, if requested by such purchaser, or if, during December 1941, you customarily gave purchasers such sales slips or receipts.

(q) Enforcement, (1) Persons violating any provisions of this order are subject to civil and criminal penalties, including suits for treble damages, provided for by the Emergency Price Con-

trol Act of 1942, as amended.

(2) Persons who have any evidence of any violation of this order are urged to communicate with the Newark District Office of the Office of Price Administration or with the Price Panel of the Appropriate War Price and Rationing Board.

LOUISVILLE GAS AND ELECTRIC CO. (DEL.)
AND STANDARD GAS AND ELECTRIC CO.

NOTICE OF FILING AND ORDER FOR HEARING ON PLAN

At a regular session of the Securities and Exchange Commission, held at its office in the City of Philadelphia, Pa., on the 5th day of February 1945.

In the matter of Louisville Gas and Electric Company (Delaware), File No. 54-113; Standard Gas and Electric Company, File No. 70-1015; Louisville Gas and Electric Company (Delaware), Respondent, File No. 59-78.

I. Notice is hereby given that Louisville Gas and Electric Company, a Delaware corporation (hereinafter referred to as Louisville of Delaware), a registered holding company and a subsidiary of Standard Gas and Electric Company (hereinafter referred to as Standard Gas), also a registered holding company, has filed a plan pursuant to section 11 (e) of the Public Utility Holding Company Act of 1935 (hereinafter referred to as the Act) for the liquidation of Louisville of Delaware for the purpose of enabling the said company to comply with the provisions of section 11 (b) of the act.

All interested persons are referred to said plan which is on file at the office of the Commission for a statement of the provisions therein contained which may be summarized as follows:

Louisville of Delaware owns 833,161 of the 1,033,839 outstanding shares of Common Stock of Louisville Gas and Electric Company, a Kentucky corporation (hereinafter referred to as Louisville of Kentucky). Of the remaining shares of Common Stock of Louisville of Kentucky. 124,306 are owned by Standard Gas and 26,372 are held by the general public. In addition to its holdings of Louisville of Kentucky Common Stock, Louisville of Delaware also had net current assets as of September 30, 1944, of approximately \$987,000. Louisville of Delaware has outstanding 600,374 shares of Class A common stock and 300,949 shares of Class B common stock, all of which are without par value, and has no liabilities other than current liabilities.

Substantially all of the shares of Common Stock of Louisville of Kentucky owned by Louisville of Delaware will be distributed to the holders of the Class A and Class B common stocks of Louisville of Delaware on the following bases:

For each share of Class A common stock, 11_{12} th shares of Louisville of Kentucky Common Stock or, at the holder's option (which must be exercised within 30 days after the plan becomes effective), 1 share of Louisville of Kentucky Common Stock plus \$1.923 in cash.

For each share of Class B common stock, 3/4 ths of 1 share of Louisville of Kentucky Common Stock.

No fractional shares of Common Stock of Louisville of Kentucky will be delivered. In lieu thereof, Louisville of Delaware will pay to each stockholder cash at the rate of \$23.08 per share for any fractional share of Louisville of Kentucky Common Stock to which the stockholder may be entitled on the above bases. The plan states that in the opinion of the Board of Directors of Louisville of Delaware the value of \$23.08 assigned to the Common Stock of Louisville of Kentucky for the purposes of the plan represents the fair value of such stock.

The plan also proposes a residual distribution to the holders of the Class B common stock, after payment of all expenses and obligations to be incurred in carrying out the plan, of approximately \$3.60 in cash per share.

In order to facilitate the carrying out of the plan, Standard Gas, which owns 93.90% of the Class B common stock of Louisville of Delaware, has advised the latter company that it is willing, subject to receiving requisite consent of this Commission, to take all or part of its proportionate share of the residual distribution in Common Stock of Louisville of Kentucky at the assigned value of \$23.08 per share and to purchase any additional shares of said Common Stock owned by Louisville of Delaware at \$23.08 per share so that sufficient funds may be available for the optional cash payment of \$1.923 per share to all holders of the Class A common stock who may elect to receive such optional cash payment and for the residual cash distribution to holders of the Class B common stock other than Standard Gas.

Upon consummation of the plan, it is proposed that Louisville of Delaware will be dissolved.

Louisville of Delaware has requested that in the event the plan is approved by this Commission application be made to an appropriate United States District Court to enforce and carry out the terms and provisions of the plan. The proposed plan does not provide for the vote or consent of stockholders of Louisville of Delaware; upon the entry of a final decree of the Court the terms of the plan will become binding upon all stockholders.

II. Notice is further given that a declaration and application has been filed with this Commission pursuant to the Public Utility Holding Company Act of 1935 by the Standard Gas and Electric Company, a registered holding company and the parent of Louisville of Delaware.

All interested persons are referred to this application and declaration which is on file at the office of the Commission for a statement of the transactions therein proposed which may be summarized as follows:

This application and declaration is filed in connection with the plan filed by Louisville of Delaware with this Commission pursuant to section 11 (e) of the act, the provisions of which plan are hereinabove set forth. In conformance with the aforementioned plan, Standard Gas proposes to accept all or part of its proportionate share of the assets, remaining for distribution to the holders of the Class B common stock of Louisville of Delaware, in Common Stock of Louisville of Kentucky at the assigned value of \$23.08 per share. Standard Gas further proposes to purchase any additional shares of said Common Stock owned by Louisville of Delaware at \$23.08

per share so that sufficient funds may be available for the optional cash payment of \$1.923 per share to all holders of the Class A common stock of Louisville of Delaware who may elect to receive such optional cash payment and for the residual cash distribution to the holders of the Class B common stock other than Standard Gas. Standard Gas cannot at this time determine the exact number of shares of Common Stock of Louisville of Kentucky that it will purchase from Louisville of Delaware upon this Commission's approval of the aforesaid plan, but it estimates that it will be required to purchase a maximum of 12,768 shares of the Common Stock of Louisville of Kentucky.

It is hereby ordered, That proceedings under section 11 (b) (2) of the act be and hereby are instituted with respect to Louisville of Delaware and that such proceedings be consolidated with the proceedings relating to the plan filed under section 11 (e) and with the proceedings with respect to the application and declaration herein filed by Standard Gas and that a hearing on such consolidated proceedings under the applicable provisions of the act and rules and regulations promulgated thereunder be held on the 14th day of March, 1945, at 10:00 a. m., e. w. t., at the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia, Pennsylvania. investors and consumers.

(5) Whether the fees and expenses to be paid in connection with the proposed plan and all transactions incidental thereto are for necessary services and

are reasonable in amount.

(6) Whether the proposed acquisition by Standard Gas of certain shares of the Common Stock of Louisville of Kentucky is in conformance with the provisions and standards of sections 10 and 12 (f) of the act, requiring no adverse findings under section 10 (b) and permitting the findings required under section 10 (c).

(7) Whether the allegations contained in Part III hereof are true and correct.
